

## To Our Valued Customers,

We are happy to announce a new and exciting chapter for Eco Systems Pest Control. Recently, Eco Systems has joined forces with Modern Pest Services to create an industry leading pest management partnership. This merger will strengthen our delivery of service and increase local support to ensure you receive fast, quality service. Through this partnership, our tremendous Eco Systems team will continue to provide support and service to our valued customers along with our new partners.

For over 78 years, Modern Pest Services has been providing best-in-class pest control services for home and business owners throughout Maine, New Hampshire, Massachusetts, Rhode Island, Connecticut, and Vermont.

We are confident in our decision to partner with Modern Pest and assure you will receive the same high standards and dedication to effective pest control that you have come to expect.

With this partnership, we want to highlight a few key items related to your service:

- Routinely scheduled visits, total client satisfaction, and access to customer service specialists will remain the same
- Continued, clear communication about your services
- Locally-based team members servicing your account
- Your dedicated support team can be reached at 800-871-6477

Please note there is a new remit-to address:

Modern Pest Services  
100 Pleasant St.  
Brunswick, ME 04011

We appreciate your support of the Eco Systems Pest Control team over the years and are looking forward to this partnership with Modern Pest leading us into the future. If you have any questions regarding your service, please do not hesitate to contact us.

Sincerely,  
William Douglas
